Albany, N. Y., Sept. 1.—The

Keeping Farm Help Satisfied.
"I see you are keeping your
hired man alright now, Ezra."
"Yep keeping him all right."
"He seems satisfied, too.
How'd you do it?"

"Did everything he asked me.
Let him work only fours and eat
with the family. He got to com-
plaining of dull evenings, so
every night I give him the use of
a car of his own, and money to
spend, to go to the movies in
town."

"That ought to satisfy him."
"It didn't though. He com-
plained of his room, and so I
coaxed my son to trade rooms
with him. Then he seemed more
settled like."

"I notice you've cut off your
whiskers, Ezra."
"Yea, some more of that hired
man's notions."
"How's that?"

He complained they tickled him
every time I kissed him good-
night."
Miss Willie Huguey has return-
ed to Irvine after a pleasant visit
with her parents, Mr. and Mrs.
George Huguey, on East Main
street.
